Professional Experience

JUNE 2020– AUGUST 2020

Intern / NEU Automation, La Chapelle d'Armentières (59)

I worked on a suite of software designed to manage and oversee a line of production in C#

OCTOBER 2019– MAY 2020

Intern / Mes Petites Feuilles, Lille (59)

In the context of my studies, I had to work on a project for a client, in this case I helped design a companion app for an autonomous garden in React Native
